STREWHEROES' PATH WITH FLOWERS

A Thousand Little School
Children Stage Pretty
Scene

OVATION FOR PAGEANT

Big Demonstration Accorded War
Heroes—Parade Was A Very
Credible Affair.

Flowers were strewn in the path
of the soldiers as they marched in
the Welcome Home parade yester-
day afternoon by 1,000 public school
children.

This ceremony took place in the
court of honor on Washington street
between King and Prince streets.

As the heroes marched through
the honor court the children strewed
flowers in their path, they being
lined on either side of the street
and were applauded by Capt. W.
Sweeney, superintendent of schools.

Each little child carried a basket
filled with flowers and the war her-
oes appeared greatly affected by
the demonstration accorded them by
the little ones.

The children also did not forget
other participants in the big parade,
and they also secured some of the
flowers. Many of the soldiers grab-
bed flowers as they marched and
will keep them as souvenirs.

The parade in honor of the war
heroes was participated in by old
Alexandria Light Infantry men, vol-
unteers, marines and sailors. The
boys made an excellent showing and
were given a rousing ovation as
they marched.

Thousands of people lined King
street and cheered the passing page-
ant, and the count of honor, on
Washington street through which
they passed, was banked with hu-
manity.

Several soldiers who were wound-
ed overseas and who were unable
to march in automobiles in the
procession.

Immediately after the parade dis-
banded the soldiers in line of march
were tendered a buffet luncheon
which was served by a committee
of women in the Westminster Build-
ing.

The parade was headed by a pla-
toon of police and Major W. M.
Smith was chief marshal with aides
as follows: Col. Julian Y. Williams,
Major J. Randall Cotton, Capt. Geo.
H. Evans, Capt. Thomas B. Cochran,
Walter Moore, this city, who was
awarded the U. S. distinguished
medal for heroism on the battlefield
was a special aid to Major Smith.

Robert M. Jones, chairman of the
executive committee headed that
committee after which came the
Alexandria Light Infantry, 29th Di-
vision, and then followed the Red
Cross division.

The Red Cross women in their
white uniforms and veils made a
splendid showing as they marched.
The men of the 80th division were
commanded by Capt. J. S. Douglas,
who has just returned from over-
seas.

The soldiers participating were
marched with a firm step and were
the envy of all eyes.

Eoy Scouts, headed by R. L.
Carne, and various civic organiza-
tions followed with the city fire
department in command of Chief
Kenneth K. Ogden brought up the
rear of the parade.

The first apparatus was bedecked
with flags, pennants, bunting and
flowers and showed conclusively that
the fire laddies had spared no
pains in preparing for the event.
The brass and other metal parts of
the apparatus was polished like a
mirror and the firemen in their fire
blue uniforms made an excellent
showing.

Hundreds of soldiers, civilians and
their sweethearts and others last
night enjoyed the block dance which
was staged in the court of honor on
Washington street.

Thousands of persons witnessed
the dance and bands stationed at
either end of the court furnished the
music. Dancing was continued until
a late hour and all of the partici-
pants greatly enjoyed the evening's
entertainment.

The midway on King street at-
tracted thousands of persons, and

Program For Tonight

The program for tonight provides
for an entertainment beginning at 9
o'clock at the War Camp Community
Service Club under the auspices of
the American Red Cross of this city.
Every soldier, sailor and marine in
the city is invited to attend. Mem-
bers of their families wearing the
white ribbon also are urged to at-
tend. A special program of enter-
tainment will be given the heroes.

The program for tomorrow provides
for a sing in Christ Church yard at 7
o'clock.

Capt. James S. Douglas, who
served gallantly overseas, was a
conspicuous figure in the parade.
Capt. Douglas only arrived home
yesterday and he was given an ova-
tion as he headed the men of the
gallant 80th Division.

BOARD OF ALDERMEN

Six members of the Board of Al-
dermen were present last night. But
one paper was presented—a resolu-
tion offered by Mr. Williams requiring
the city to remove paper with
ashes, etc. It was referred to the
committee on streets.

The board concurred with the ac-
tion of the common council on a
number of papers sent in, and about
10:30 o'clock adjourned to meet
again Friday night.

BREAK GROUND FOR SCHOOL

New Building For Colored Boys and
Girls Started

Ground was broken today for the
erection of school building for col-
ored children which will be built
in the square bounded by Alfred,
Patrick, Madison and Wythe streets.
The building will be two stories
high and contain twelve rooms and
auditorium. It will be used for both
boys and girls. The work will be
done under the direction of City En-
gineer E. C. Dunn. It is hoped to
have the structure ready by the re-
opening of the schools in September.
The building with ground will cost
about \$50,000.

Will the mothers, Fathers,
and wives who have not
received their white rib-
bon badges for "Home
Coming Week" call at 700
Duke street and get them.

JUDGE BARLEY'S CAUSTIC CHARGE

Directs Grand Jury's Atten-
tion to Existing Condi-
tions on Main Street

GAMBLING IN PUBLIC

Probes Health Conditions—A Num-
ber of Physicians Heard—Adjourn
Until Friday.

Judge Barley's charge to the grand
jury of the Corporation Court this
morning was a bomb shell. In the
main it was a mandate to the jury
to place the responsibility for pres-
ent conditions on our main thorough-
fare upon the shoulders of those re-
sponsible for conceiving and carrying
into effect a plan which is viewed
in his honor said, with indignation by a
large percentage of the people of
the community. The judge said he was
out of the city Monday night, when
the lights were turned on for the pre-
sent fete, but upon his return last
night his attention was directed to
the "Vanity Fair" now in progress in
Alexandria. The judge said gambling
devices of different sorts were in
operation on the streets, while per-
formances, in the shape of dancers,
etc., which are objectionable, are be-
ing tolerated openly and within full
view of the city authorities.

Judge Barley further said it was
up to the grand jury to look after the
interests of the city, especially in
matters of morality. The members of
the police or whoever was tolerating
or consenting to such procedures
should be called and made to show
why.

Not the police alone, the judge con-
tended, but those who have made such
conditions possible should be given an
opportunity to explain themselves.

The judge was indignant during the
delivery of his charge, and called the
attention of the grand jury to the fact
that they had the power to enter into
a close investigation of the matter.

The jury examined a number of
physicians and nurses relative to
health conditions existing here. It
did not, however, go into any in-
vestigation of the opening of a street
carnival. An adjournment was taken
by the jury until Friday morning
when the jury will resume its delib-
erations.

The jury is composed of the follow-
ing: S. W. Pitts, foreman; Gilbert J.
Cox, H. C. Griffith, J. M. Reed, R.
E. Knight, D. Milton French, James
L. Foster, W. A. Moore, T. C. How-
ard, D. G. Grillbortzer and W. H.
Sweeney.

FORMER SENATOR SPOONER IS DEAD

New York, June 11.—John Coit
Spoonster, former United States Sen-
ator from Wisconsin, died at his
home here early today after an ill-
ness of several weeks.

He suffered a relapse Monday, af-
ter having, partially recovered from
a nervous breakdown. Mr. Spooner
was 76 years old, and because of
his age his family entertained fear
for his life when he was first strick-
en.

Former Senator Spooner was a
native of Lawrenceburg, Ind., re-
moving to Madison, Wis., when a
boy of sixteen.

He served in the United States
Senate from 1885 to 1891 and from
1897 to 1907, resigning to take up
the practice of law in New York
city. He was tendered a cabinet po-
sition by President McKinley in
1898, but declined it.

WARNING TO PARENTS

The Health Department of Alex-
andria desires to call attention of
parents to the danger of allowing
their boys to go in bathing in the
river. The Potomac receives most
of the sewerage of Alexandria and
all from Washington. This sewer-
age contains the germs causing ty-
phoid fever dysentery and other in-
testinal diseases, consequently, while
in bathing, any of these diseases
may be contracted.

The Health Department urges all
parents to prevent their children
from running unnecessary risks dur-
ing the heated period.

ATTENTION!

To the boys in khaki.

All soldiers, sailors and marines, who saw ser-
vice at home or abroad are cordially invited to the
Masonic Welcome at the Masonic Temple, Saturday,
night June 14th at 8 p. m.

This will be an open meeting to all soldiers, sailors
and marines who are not Masons as well as those
who are Masons.

All other members of the fraternity are invited to
be present to welcome our heroes.

A few speeches, a lot of music, plenty of refresh-
ments.

TO HAVE UP-TO-DATE HEALTH DEPARTMENT

Estimated Cost to City Will
Be About \$10,000 An-
nually

LICENSE LAW UP

Council Provides For Full Time Health
Officer, Deputy Health Officer, Bac-
teriologist, Visiting Nurse and Clerk

A full time paid health officer and
a corps of assistants which will cost
the city approximately \$10,000 an-
nually was recommended by the joint
committee on finance and health of
the city council last night and com-
mon council after a lengthy debate
adopted the measure. It provides for
the following: Beginning July 1, full
time paid health officer at \$2,500 a
year; deputy health officer at \$1,500
a year; bacteriologist at \$2,000 a
year; public health nurse at \$1,200
a year; clerk in health office at \$720
a year.

It also provides for a board of
health of three persons, two of whom
are to be physicians. No compensa-
tion, however, is mentioned. The ac-
tual salary for the health force is \$6,-
920. Office expenses etc., it is believed
will bring the grand total to \$10,000.
Dr. R. P. Sandidge, city health of-
ficer, appeared before council and ex-
plained the need of an up to date
health department and gave statistics
regarding the death rate here.

President Burke told council that
due to unusual conditions existing
here it is now up to the city to make
as good a showing as possible.

Dr. Sandidge among other things
told council that the United States
Public Health Service and the Ameri-
can Red Cross had spent \$25 in Alex-
andria since last summer in sanita-
tion. He also said that the health de-
partment has collected \$4,500 out of
the \$14,000 spent. Other work done
under the direction of the health de-
partment including the inspection of
dairies and water related by Dr.
Sandidge.

Consider License Law

The city license law was taken up
by common council and after some
amendments had been made it was
decided to postpone action on the
measure until Friday night when another
meeting will be held for final action
on this measure. President Burke ap-
pointed a conference committee to
confer with a committee from the
board of aldermen with the view of
getting this matter settled.

For School Building

Resolution appropriating \$44,500 to
erect colored school building, same to
come from the bond issue of \$100,000
was referred to finance committee.

Resolution appropriating \$100 to
pay Judge J. K. M. Norton for
legal expenses was adopted.

Resolution appropriating \$600 for
paying alley adjoining Relief Hook
and Ladder Company's house was re-
ferred to joint committee on streets
and finance.

Petition of James H. Ballard to re-
model house 316 North Henry street
was referred to street committee.

Petition of E. E. Downham rela-
tive to lot in George Washington Park

Was referred. Resolution to increase
salary of superintendent of schools
from \$1,500 to \$1,800 a year was re-
ferred to joint committee on finance
and schools.

TELEGRAPHERS ENGAGE IN STRIKE

Nation-Wide Walkout In-
augurated at 8 O'clock
This Morning

FAILURE PREDICTED

Western Union Officials Not Regard-
ing the Matter Seriously.—Govern-
ment Makes All Preparations.

Washington, June 11.—The nation-
wide strike of commercial telegraph-
ers was on at 8 o'clock this morning
with the Government taking no di-
rect action to forestall it.

Predictions of a complete failure
and a complete tie-up came from the
respective sides. President S. J.
Konenkamp, of the Commercial
Telegraphers Union, who ordered the
strike, declared that 50,000 men will
quit the keys, practically paralyzing
the wire communication system of
the country.

Western Union officials continue to
express the opinion that few of the
telegraphers will quit, and that they
will be little interruption to the
service.

The inactivity of Governmen-
tary agencies to prevent the strike, par-
ticularly on the part of Postmaster
General Burleson was left by the
other departments, is taken here to
indicate he does not believe the situa-
tion will develop seriously.

The Labor Department and the War
Department will not take a hand in
the matter until directed to do so by
Burleson. The strike was not formally
discussed at the Cabinet meeting yes-
terday, and the Postmaster General
did not attend.

Meanwhile, telegraphers predicted
a complete tie up of the Western
Union lines here, which would great-
ly hamper Government business. The
State Department has made all pre-
parations to maintain its telegraph-
ic and cable communication, particularly
with the American mission in France.
Army Signal Corps operators will re-
place strikers, if necessary; it was
said at the department. Naval wire-
less may also be used.

LABOR UNION IS SUED

People of Pittsburgh Demand \$2,000
Damages Caused by Street
Car Strike.

Pittsburgh, June 11.—The people
of Pittsburgh, through A. E. Ander-
son, an attorney, filed a suit in equity
in court here late yesterday against
the Amalgamated Association of
Street and Electric Railway Em-
ployees, in which the union is asked to
pay damages of \$2,000,000.78 which
sum it is claimed was lost by the peo-
ple as a result of the recent street
car strike.

The suit raises the question of the
right of persons engaged in public
service to strike to enforce demands
for better pay and improved working
conditions. Receivers of the Pitts-
burgh Railways Company are named
as party defendants.

HAPPENINGS ABOUT CITY TOLD IN BRIEF

Mrs. R. S. Roberts has gone to
spend sometime at her summer
home in the Vermont mountains.

A marriage license was issued in
Washington yesterday to William N.
Wright, of Alexandria, and Cath-
arine S. Starny, of Baltimore.

M. T. Dwyer has sold to Dr. Geo.
T. Klytstein three three-story brick
dwelling houses on the south side of
King street between Fayette and
Fayne streets.

Miss Virginia A. Shands and Jesse
W. Mitchell, both of this city, were
married last night at the parsonage
of the First Baptist Church by Rev.
Dr. E. B. Jackson.

The Willard W. C. T. U. will meet
tomorrow night with Mrs. Ruth
Field in the Colonial Apartments,
North Fairfax street at eight o'clock.
All members are urged to be pre-
sent.

The quarterly meeting of the Wo-
man's Home and Foreign Mission-
ary Societies of the Washington
district of the Methodist Episcopal
Church convened today in Trinity M.
E. Church with Mrs. Henry S.
France presiding.

A telegram has been received by
Mrs. J. T. Ashton stating that Maj.
Ashton, dental corps, has arrived
in New York, and is now stationed
at Camp Mills, N. Y. He is expect-
ed home soon for a few days before
going to a demobilization camp.

A small fire in a shed in the rear
of a frame dwelling house on the
east side of Royal street between
King and Prince streets brought out
the fire department shortly before
11 o'clock this morning. The fire
was extinguished before much dam-
age was done.

UNEFFECTED BY STRIKE

Few Wire Operators Here Remain
at Keys

The wire strike did not effect
either the Western Union or the Po-
stal offices here. The railroad of-
fices, which offices do not handle
commercial messages, were not ef-
fected.

At the Western Union there is
one female operator and a manager
and the Postal Company maintains a
manager-operator.

Services here, therefore, was un-
interrupted.

IN MEMORIAM

In sad but loving remembrance of
my dear mother, ANNIE E. SULLI-
VAN, who departed this life two
years ago, June 11, 1917.

Dear is the grave in which she is
laid.

Sweet is the memory which shall
never fade.

Heart of my life is buried deep.

Under the sod where my mother
sleeps.

God called her home it was His will

But in our hearts we love her
still.

Her memory is as fresh today.

As in the hour she passed away.

VICTORY DEMONSTRATION

The second victory celebration in Alexandria, during the past fifty-four years took place last night. On April 14, 1865, there was a turn out here, conceived and carried out, in the main, by transient residents of those days in honor of victory over the defeated ranks of the armies of the late Southern Confederacy. This was a triumph of might over what many still think was right, and most Alexandrians were but spectators of that pageant. The city was brilliantly illuminated at night, but a short time after darkness set in it became known President Lincoln had been assassinated in a Washington theatre, and the joy was turned into mourning.

The victory demonstration last night, however, was an event in which the entire community—our town people as well as the thousands who have come to live with us during the past year or more—uniting in tendering a rousing ovation to the Alexandria boys who went "over there," as well as those who performed military duty in their own land during the late war for Liberty.

Old and young were equally enthused, little children casting flowers at the soldiers as they passed along. The music was thrilling as the feasting and the block dance which followed were among the many pleasant features of the occasion.

King and Washington streets were packed with people, other sections of the city having been practically deserted. The festivities were kept up until midnight. Many visitors were in the city last night. Numbers of Washingtonians were here, as were also people from all this section of Virginia.

MULTIPLICATION OF AUTOS

About a score of years has passed away since the automobile made its advent. Automobiles were curiosities but a short time ago; now they are as common in the world as sewing machines, having almost crowded equines from the streets. While thoroughfares of cities are full of these modern contrivances, thousands are owned in the rural sections,

while trucks and farm machinery are also run by gasoline. Twenty-five years ago, when the bicycle fever was at its height, it was suggested that the world had discovered a new means of transportation, and making a "spin" was regarded as one of the pleasures of life. While the bicycle came to stay, it was not destined to hold its place in the front rank of modern vehicles. The automobile was close in its wake, and today, while boys still use the bicycle, some for pleasure and others in business pursuits, the automobile is the chief mode of transportation both for business or pleasure.

About every fourteenth person in Maryland, whether man, woman or child, owns an automobile. The number in that state exceeding 100,000.

To put it differently, there are enough automobile wheels on Maryland-owned cars to present one to about each third person in the State. It may not be long before Virginia will be showing an equal percentage.

Approximately there are about 500 or 600 buses licensed in Maryland, nearly 4,000 delivery automobiles, about 5,000 solid-tire trucks, about 10,000 miscellaneous cars and nearly 85,000 passenger cars.

HIGH COST TO STAY

The cost of living will never return to where it was before the war, in the opinion of a number of prominent business men who have given their views to the United States Department of Labor in answer to the query, "How much will prices fall?" While there may be some relief from the abnormally high prices of wartime, the answers received by the Department agree almost without exception that the day of cheaper living is gone, never to return.

Many reasons are advanced in support of this prediction, the principal one being that advances in the prices of commodities are due largely to the increased cost of labor, and that high-priced labor appears to be here to stay. High taxation is also cited as reason.

The Editor:

Alexandria Gazette:

Sir:

In justice of the Executive Committee of the Home Coming Week Celebration I wish to state that the responsibility for the absence of colored citizens and troops in the line of march lies with the colored organizations who refused to take part in the parade on account of some misgiving as to their place in the line. If one will read the formation in your issue of June 10 they will be convinced that the colored organizations were well placed.

The Marshall of the parade and those having in charge the securing of colored troops and citizens made every effort both by personal solicitation and notices through your columns to secure a good representation of colored persons in the parade but without success.

The Executive Committee made an appropriation of sufficient funds to carry out the program for colored soldiers as it is scheduled in the Gazette for the week.

It is my opinion that the committee deserves the thanks of every patriotic citizen and those returned soldiers who were loyal enough to present themselves at the Colored Soldiers Club to enter the parade but because they were so few decided not to march.

It is to be hoped that no such unfortunate thing will ever occur in our city again.

Sincerely, J. Byron Hopkins.

(Communicated) BE CAUTIOUS

As will be seen by the proceedings of the City Council, the lower board last night passed an amended health ordinance, which provides for an outlay of \$7,400 annually.

While not disposed to stand in the way of those who would minimize the cases of illness in our midst, the taxpayers of the city should be made aware of the fact that the state already furnishes a bacteriologist, who is ready to do the work for all physicians of the commonwealth in cities and counties and to have such an official in Alexandria seems like a work of supererogation.

Alexandria is already staggering under great burdens. Present conditions will render it necessary to embark in still greater movements for the preservation of health.

The ordinance will come before the Board of Aldermen Friday night. It is to be hoped that this matter will be weighed properly, and if a bacteriologist is necessary, let us have one, but if not let us take heed how we spend money.

WILL DEMAND BEER

Baltimoreans to be in Big Demonstration. Labor will protest, by 5000 men in ranks on the steps of the National Capitol on Flag Day, June 14, against the impending deprivation of beer and light wines. The men at the mass meeting will be representatives of international, national, State and local unions affiliated with the American Federation of Labor.

This program of objections to features of the war prohibition act is assured, according to an announcement by Henry Miller, representative of the Central Labor Union. Mr. Miller has been arranged for the national demonstration.

In addition, according to Mr. Miller, many thousands will take part in the demonstration who are not among the direct representatives of the labor bodies. The representative delegations will include large numbers from Philadelphia.

NO FREIGHT MOVING

Routledge, Va., June 11.—No developments occurred in the Norfolk and Western strike situation yesterday, according to the statements given out this evening by Federal Manager A. C. Needles, of the road, and Secretary J. S. Shoemaker, of the Norfolk and Western system federation.

Freight traffic on the Norfolk and Western is at a standstill, and passenger trains are being operated under difficulties.

Letters calling for a sympathetic strike of railroad employees on other lines are being mailed, it was stated by J. E. Shoemaker, treasurer of the advisory board of the Norfolk and Western system federation.

Strike leaders claim that employees on other roads, particularly in the Northwest, have offered to strike in sympathy with the Norfolk and Western shop crafts if the men at Wilcox are not reinstated.

Shop crafts of the Virginia Railway were appealed to yesterday to join the strike, and should they do so, traffic in Western Virginia would be completely tied up.

AGREES TO STOP FIGHTING

London, June 11.—Bela Kun, the Hungarian Communist Foreign Minister, in reply to a message from Premier Clemenceau, according to a wireless dispatch from Budapest, agrees to stop hostilities with the Czechs-Slovaks, although he claims the Czechs are to blame for the fighting because they disregarded the frontier fixed by the Allies.

The Hungarian leader suggests that a commission be appointed to settle the differences between the Czechs and the Hungarians.

STRIKERS ADD TO NUMBERS
Advisory Board Threatens to Call for Nation-Wide Action
Roanoke, Va., June 11.—Railroad employees throughout the country

will be called upon to go to a general strike in support of more than 3,000 striking Norfolk and Western employees unless the railroad administration takes steps to adjust the Wilson dispute, according to

resolutions adopted yesterday afternoon by the advisory board of the Norfolk and Western System Federation in session in Bluefield, W. Va., and made public last night by secretary J. B. Shoemaker of the organization.

Despite announcement that additional telegrams had been sent by high union officials to the strikers notifying them that their walkout was in violation of the union's agreement with the railroads and demanding that they return to work, blacksmiths, carmen and boilermakers in the eastern shops this afternoon joined the ranks of the strikers, making the tie-up in the local shops practically complete.

According to Federal manager A. C. Needles, work has also ceased in the shops of Lynchburg, Norfolk, LumberKits Point, Shenandoah and Pulaski, Va.

Passenger trains are said to be running without interruption, but freight traffic is being seriously hampered.

Petersburg, Va., June 10.—Norfolk and Western shop men here to the number of 106 went on strike yesterday afternoon.

EXPLOSION KILLS GIRL

Three Others Wounded in Munitions Plant in Baltimore

Baltimore, Md., June 11.—A girl employee was killed, three were wounded and a general panic followed the explosion Monday afternoon of a 6-inch shrapnel shell at the lower shed of the park plant of Bartlett & Hayward Company, manufacturers of munitions. One of the three wounded girls is in a precarious condition at Mercy Hospital.

Since the armistice the plant has confined its work to the unloading of the shells, and it was during this process that the accident occurred, supposedly from friction caused by the probing of the wadding with small brass rods.

The dead girl was Miss Marie Lemhardt, 22 years old. Flying shrapnel severed her head from her body.

N. & W. SHOPS CRIPPLED

Strike of 125 Men at Petersburg Keeps Few Who Stick Busy
Petersburg, Va., June 11.—About 125 machinists, boilermakers, pipe fitters and carmen at the terminal of the Norfolk and Western Railroad Company here have quit their jobs. The general foreman of the terminal here thinks he can keep the terminal in operation and the engines running on time for about one month.

There are about 140 men employed at the terminal in Petersburg, only 13 of whom remained at their posts. These men are working practically about 24 hours a day that trains may be gotten out on time.

CONSTIPATION

After this potent purgative you will find relief from Black-Draught.

Meadorsville, Ky.,—Mrs. Pearl Patrick, of this place, writes: "I was very constipated. I had sour stomach and was so uncomfortable. I went to the doctor. He gave me some pills. They weakened me and seemed to tear up my digestion. They would grip me and afterwards it seemed I was more constipated than before."

I heard of Black-Draught and decided to try it. I found it just what I needed. It was an easy laxative, and not bad to swallow. My digestion soon improved. I got well of the sour stomach, my bowels soon seemed normal, no more griping, and I would take a dose now and then, and was in good shape."

I cannot say too much for Black-Draught for it is the finest laxative one can use."

Thedford's Black-Draught has for many years been found of great value in the treatment of stomach, liver and bowel troubles. Easy to take, gentle and reliable in its action leaving no bad after-effects, it has won the praise of thousands of people who have used it.

PADEREWSKI—Premier of Poland AND MASTER PIANIST USES NUXATED IRON

To Obtain Renewed Energy,
Power and Endurance

Dr. Kenneth K. MacAlpine, for 16 Years
Adjunct Professor New York Post
Graduate Medical School and Hospital,
Says That In His Opinion Nuxated
Iron Is

The Most Valuable Tonic,
Strength and Blood
Builder Any Physician
Can Prescribe.

Ignace Jan Paderewski, one of the greatest musical geniuses of the age, at a time when his untiring work for Poland overtaxed his strength and impaired his health had recourse to Nuxated Iron to help rebuild his wasted forces and restore his old-time health and strength.

"With the tremendous strain imposed by over two years of almost ceaseless work in the cause of his fatherland, of which he is the foremost figure today, it is easily understood why Paderewski sought the sustaining tonic benefits of Nuxated Iron," says Dr. James Francis Sullivan, formerly physician of Bellevue Hospital (Outpatient Dept.), New York, and the Westchester County Hospital, "Black of iron in the blood not only makes a man a physical and mental weakling, nervous, irritable, easily fatigued, but it utterly robs him of the vital force, that stamina and strength of will which are so necessary to success and power in every walk of life. Thousands of men and women are impairing their constitutions, laying themselves open to illness and literally losing their grip on health, simply because their blood is thinning out and possibly starving through lack of iron. Iron is absolutely essential to enable your blood to transform the food you eat into muscular tissue and brain. Without iron there is no strength, vitality and endurance to combat obstacles or withstand severe strains. To help make strong sturdy men of blood and iron there is nothing better than Nuxated Iron."

Mr. Paderewski says: "I am using Nuxated Iron very frequently and consider it as an excellent tonic."

A prominent New York Surgeon and former Adjunct Professor of the New York Post Graduate Medical School and Hospital,

Ignace Jan Paderewski
the new Polish Premier
who took Nuxated Iron when he
was in a weak and run-down condition
and needed something to
build up strength and energy.

Dr. Kenneth K. MacAlpine, says: "If people would only realize that iron is just as indispensable to the blood as is air to the lungs and be just as particular about keeping up a sufficient supply at all times, there would in my opinion be far less disease resulting from anemic, weakened conditions. Nuxated Iron, by enriching the blood and creating new blood cells, strengthens the nerves, rebuilds the weakened tissues and helps to instill renewed energy into the whole system whether the patients be young or old. In my opinion Nuxated Iron is the most valuable tonic, strength and blood-builder any physician can prescribe."

If you are not strong or well you owe it to yourself to make the following test: See how long you can work or how far you can walk without becoming tired. Next take two five-grain tablets of ordinary Nuxated Iron three times per day, after meals, for two weeks. Then test your strength again and see how much you have gained.

Manufacturers' Note: Nuxated Iron, which is recommended above, is not a secret remedy but one which is well known to druggists everywhere. Unlike the older ironous iron products, it is easily assimilated and does not impair the teeth, make them black, nor upset the stomach. For manufacturers' name, address and full satisfactory results to every purchaser or who will send your name. (It is enclosed by all good druggists.)

Your Washing Machine Plus "Soap Chips"

is the perfect combination for wash-day. Puts laundry on the line whiter, cleaner, and earlier—because the Borax in

softens the water and quickly dissolves away the dirt. No soap to cut—ready for use. More economical than soap.

To get best results make a Soap Jelly by boiling 3 tablespoonfuls of Chips in a quart of water. Add enough of this solution to wash-water to make good suds. Wash as usual. An 8 oz. Package of 20 Mule Team Borax Chips equals 25c worth of ordinary laundry soap.

It's the Borax with the
Soap that Does the Work.

Two Big New Savings for
Car Owners and Truck Owners

Never before have Firestone Tires been so decidedly better than others as they now are. So, for months back dealers, car owners and truck operators have been saying: "It's the Firestone Year."

And on top of this quality advantage offered in the improved Gray Sidewall Fabric and Cord Tires, on top of the enlarged size and extra heavy tread, come these two other Firestone savings—

Much lower prices—and adjustments made on a bigger mileage basis.

NOTE THIS NEW SCHEDULE

Fabric Tires	6,000 Miles
Cord Tires	8,000 Miles
Solid Tires	10,000 Miles

You can thank the rubber market for a part of the price saving. You can thank Firestone men—90% of whom are stockholders in the company—for a tire of such quality. 6,000 miles, 8,000 miles, 10,000 miles—these are only beginning points from which you can figure the extra miles that have made this the "Firestone Year" and given greater meaning than ever to the Firestone pledge of—

STORE DYNAMITED AGAIN

C. W. Schutze, Native of Germany,
Had Been Warned to Leave
Knoxville.

Frederick, Md., June 11.—The store and home of C. W. Schutze, Knoxville, was dynamited early yesterday morning by unknown persons and the building was rocked, nearly every window glass was smashed and the kitchen and door porch were blown to pieces.

Mr. and Mrs. Schutze, asleep upstairs, escaped uninjured. The dynamite was placed under the kitchen door and exploded with a loud report. It was the second time within a month that the property was dynamited. The first time resulting in damages of about \$350. Following the first attempt, Schutze received an unsigned letter warning him to leave the town or be blown to— It is understood that a Mrs. Main, of Pittsburgh, owner of the property, received notice that unless the present tenants vacated further damages would be done.

Schutze appealed to Sheriff Klipp yesterday for protection. He is 67 years old, a native of Germany, and came to this country at the age of 23. The warning accused him of being a German sympathizer. He denies this and attributes the plot to kill him to business jealousy. The bombing was treated with considerable excitement.

The building is of stone with thick walls and withstood the force of the explosion which would have blown a frame house to pieces. Schutze stated that as the plotters are trying to kill him he will leave Knoxville today.

DEATH OF MRS. E. A. POLE

Stricken as Home is Prepared for
Wedding of Daughter

Winchester, Va., June 11.—Mrs. Mary Claybrook Pole, wife of Dr. Edgar A. Pole, died yesterday morning of heart trouble at Hot Springs, Va., while arrangements were being made for the wedding today of her daughter, Miss Judith Pole, to Newton Wiley, a New York financier.

The home was lavishly decorated with flowers and palms, and some of the out of town wedding guests had arrived. Mrs. Pole was stricken during the night and expired at 5 o'clock. Her funeral will be held tomorrow morning, and her daughter's wedding will take place quietly this evening.

Mrs. Pole was a member of a distinguished family of Westmoreland county, Va.

TOWNS MARKED FOR BOMBS.

Map Found on Alleged I. W. W.
Leader

Charleston, W. Va., June 11.—More than 130 towns in West Virginia were marked by terrorists for bomb explosions, according to a map and evidence found in the possession of Edwin L. McGurty, alleged I. W. W. leader, arrested in Pittsburgh last Thursday. It was announced at the Governor's office here yesterday.

Governor Cornwell, who is investigating ramifications of the nationwide bomb plot in West Virginia, said a roundup of radical agitators would be made as the result of data secured in the McGurty arrest.

ITALY DEFIANT

Orlando Flatly Declares Rome Will
Stand on Treaty of London

Paris, June 11.—Premier Orlando threw another bomb shell into the peace fabric yesterday when he flatly declared at the session of the "big four" that Italy will stand unequivocally upon the pact of London, refusing any and all suggestions of a compromise.

Coming at a moment when an amicable solution of the Adriatic problem had been expected with greater certainty than ever, this news cast a deep gloom over conference circles, and a new crisis seems imminent.

Premier Orlando is just back from a several days' visit to Rome, where he had in earnest and protracted conference with King Victor Emmanuel as well as his Cabinet and all party leaders.

As soon as the Italian prime minister had made his new declaration of war on all compromises, President Wilson eliminated himself from the discussion of the Adriatic question, leaving Premiers Lloyd George and Clemenceau to endeavor swinging Orlando around.

In doing so the President declared in unmistakable terms that the United States would under no circumstances become a party to the London pact, which he is reported to have characterized as an "infamous agreement."

Strong intimations have been reaching conference circles for some days that pro-German influences are being brought to bear on public opinion in Italy, working to create internal discord and demanding the retirement of the Orlando delegation in favor of one headed by former Premier Giolitti.

WEIMAR CHOSEN

Hun National Assembly Called for
Tomorrow—Rhine Land Republic Causes Anxiety

Berlin, June 11.—The meeting of the National Assembly called for Thursday to discuss the peace situation will be held in Weimar instead of in Berlin, as originally planned, it is announced.

Real alarm is now being manifested in German official circles over the possibility of movements similar to the establishment of the Rhine-land republic frustrating plans for a strong centralized government.

One leader told the correspondent that Prussia is agreeable to having states on the American plan, but not want to have the state become entirely independent and protected.

The Tagliche Rundschau, in an editorial, said the government is manifesting a "strange nervousness" over the political situation, and declared the calling of students to join the guards for possible defense against Poland is ill-advised.

MOB THREATENS NEGRO

Man Charged With Attack on White
Woman is Spirited Away to
Adjoining County

Asheville, N. C., June 11.—Don Michaux, a negro, barely escaped lynching at the hands of an angry mob which gathered around the Burke County jail at Morgantown, N. C., late Sunday night, and threatened to string him to a tree on the courthouse square.

He is charged with an attempted attack on a young white woman. The only things that appeared to save the negro were the lack of organization and leadership on the part of the mob and the fact that officers outwitted the crowd and spirited away the would-be criminal to the jail of an adjoining county.

A WOMAN'S BACK

The Advice of This Alexandria Woman is of Certain Value.

Many a woman's back has many aches and pains.

Oftimes 'tis the kidneys' fault. That's why Doan's Kidney Pills are so effective.

Many Alexandria women know this. Read what one has to say about it. Mrs. F. M. Entwistle, 1907 Gibbon Street, Alexandria, says: "The pains in my back were something awful and no matter how I turned I couldn't get rid of them. There was a sore and lame feeling and a heavy bearing-down ache in my back all the time. My head felt as though somebody were pounding it and I became very nervous. I had dizzy spells, too. The way my kidneys acted bothered me a lot and caused me no little pain. The first box of Doan's Kidney Pills gave me relief and by the time I had finished the second one all my kidney trouble had left me; I was entirely cured."

Price 60c, at all dealers. Don't simply ask for kidney remedy—get Doan's Kidney Pills—the same that Mrs. Entwistle had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.

CLAIMS SALOON IS DYING

William J. Bryan Tells Auditorium Throng in Richmond Prohibition is Permanent.

Richmond, June 11.—William Jennings Bryan, representing the Anti-Saloon League, addressed an audience of 3,500 people at the City Auditorium Monday and told them that the cause of prohibition would not go backward, but that on the contrary many of those present would not be an open saloon in any civilized country. Discussing prohibition in Virginia, Mr. Bryan said: "I understand that you are having difficulty in enforcing the law in this state. That was to be expected. But let the people understand that they must take a stand one way or the other. The time is soon coming when any man or newspaper who defends the liquor traffic will be placed in the same category of the man or newspaper who defends burglary. We have dug John Barleycorn's grave big enough not only for him, but for his advocates too."

LACK OF TEACHERS

Shortage is Felt in All Parts of the Country—Congress Appealed to American schools are facing a serious problem because of the lack of teachers. P. P. Claxton, Commissioner of Education, declared yesterday additional appropriations for conducting the services of his bureau for the year beginning July 1.

"Perhaps no other institution was more affected by the war than were the schools," he wrote, urging continuance of the bureau work in aiding the placement of teachers. "Almost one-third of all the American teachers were drawn out of the schools for service in the Army, Navy and other branches of the Government and in various commercial activities and war industries. As a result there were last October approximately 50,000 schools without teachers scattered throughout the entire country. There were also about 120,000 new and wholly untrained teachers, largely boys and girls barely ahead of the classes they were expected to teach. Numerous calls from all parts of the country came to the Bureau of Education for relief, and up to the present time comparatively few of the teachers have returned to their regular work. The fever of activity and the higher pay in other fields of labor still complicate the problem."

BRIDE LEFT ON WEDDING DAY.

Rockville, Md., June 11.—Charging that he was deserted on his wedding day, Lester L. Walker, of this county, has filed suit for an absolute divorce from Grace B. Walker, now a resident of Martinsburg.

W. Va. The bill sets forth that the couple were married in Rockville on May 21, 1918, and that a few hours later the defendant, without assigning any cause, left the plaintiff and has ever since refused to live with him.

RAIL AT CUMBERLAND

Most Severe Storm in Years Done Much Damage

Cumberland, June 11.—Cumberland was visited yesterday by the most severe hailstorm in many years. Hailstones as large as golf balls fell in the city, while in the southern section, where the storm seemed severest, stones as large as hulled walnuts descended and lay on the ground for minutes before melting. The ground in that locality was covered. Vegetation was riddled. Plants were stripped of leaves and gardens destroyed.

You Can't Cure Rheumatism With Liniments and Lotions

If you are afflicted with rheumatism, why waste time with liniments, lotions and other local applications that never cure Rheumatism, and never will. Do not try to rub the pain away, for you will never succeed. Try the sensible plan of finding the cause of the pain. Remove the cause, and there can be no pain. You will never be rid of Rheumatism until you cleanse your blood of the germs that cause the disease. S. S. S. has no equal as a blood purifier, scores of sufferers say that it has cleansed their blood of Rheumatism, and removed all trace of the disease from their system. Get a bottle of S. S. S. at your drug store and get on the right treatment today. If you want special medical advice, address Medical Director, 49 Swift Laboratory, Atlanta, Ga.

Hudson

Whenever motor cars are known, you will find these three. For years they have been the leaders in their class and their popularity grows with every sale. The Hudson Super-Six needs but very little recommendation to motorists the country over, because of its wonderful performance whenever called upon. It has been a leader of big cars for many years and is becoming more popular every day. For speed or service, the Super-Six leads all competitors in its class. It is the sign of prosperity and is a favorite with at least 50 per cent of the most successful business men of the country. Place your order for a Super-Six now.

Essex

Although but a new car, the Essex Six is gaining rapidly in prestige throughout the country and at no very distant date bids fair to lead its class, as the Hudson leads larger cars. The Essex is designed by the same engineers who built the Hudson and it is a product of the Hudson Company. The body lines are graceful and comfortable and the engine is of the same type as the Super-Six, although built on smaller scale.

Maxwell

And where will you find a man, woman or child who has not heard of the Maxwell car. From the time automobiles first began to be seen on the roads, the Maxwell car has been one of the best known on the market. It is a beautiful car, well equipped and fairly powerful and the price is within reach of many who could not afford higher priced machines. This trio of motor cars is without equal in the city and a demonstration will immediately convince anyone of the relative merits of each.

Jap With Taste for Roasted Eel Pays \$100 to Get Them

Tokio, June 11.—They have their new rel n Japan, too. And some of their stunts are no less amusing than those of Westerners. A Jap who had made a fortune in shipping had a caruncle on his arm. He engaged three rooms in a hospital and 16 nurses. When the caruncle had been treated he had it bandaged in pure silk.

Another Jap with money to burn, at a mountain resort with a geisha, excited with a fancy for roasted eel from a Tokyo purveyor, had them brought on a motorcar, roasted in a charcoal brazier during the 60-mile run. His extravagant taste cost him an even \$100.

Baltimore, June 11.—But twenty more days to get more than 7,000,000 gallons of booze out of the bonded warehouses of this district, and it can't be done. Moreover, nobody seems to be trying to get it out in any great quantities.

On June 1 there were in the bonded warehouses 5,899,563 gallons of whiskey, 8,319 gallons of gin, and 1,256,808 gallons of alcohol or cologne spirits, and since then the withdrawals have been very light, even lighter than they were in April and May.

BRUTALLY SLAIN ON FARM

Unidentified Young Woman Victim of Robber Near Trenton

Trenton, June 11.—Selecting a known spot on the Delcor farm, close to Riverview cemetery, just outside the city limits, someone Monday night murdered a young woman, about 25 years old, rifled her purse and left it lying close to her body. The woman's hands were securely tied behind her back, her head crushed in and a rope tied about her neck. It is the belief of the authorities that the woman was strangled and that later her head was crushed. The body has not been identified.

In the purse was a receipt bearing the name T. Skibo, but the authorities have not been able to find anyone acquainted with such a person. No women of Trenton have been reported missing.

LABOR CRISIS IN PARIS

Contest For Leadership Between Radicals and Conservatives Is Keen

Paris, June 11.—The labor crisis, which was suspended over the Pentecostal holidays, became acute again today.

Numerous meetings were to be held yesterday by labor organizations, including the metal workers, the transport workers, the Paris railroad men, the National Council of the Miners' Federation, the executive committee of the General Labor Federation and the Congress of Registered Seamen.

It is expected that the meetings will show whether the extremists or the conservatives will control the unions. The extremists are seeking to turn the strike into a political movement while the conservatives condemn such a policy as playing into the hands of the Government.

The General Labor Federation in its announcement that the executive committee will meet tonight to study the situation, denounces "governmental complexity and the process of intimidation and repression now in preparation." The announcement also declares that the working classes are confronted with provocations which they should be able to handle by their good sense and spirit of resistance.

HOLTZENDORFF DIES

Was Head of German Naval Staff During Greater Part of War.

Berlin, June 11.—The death was announced this week of Admiral von Holtzendorff, head of the German general naval staff during the greater part of the war. He retired in August of last year.

Admiral Henning von Holtzendorff became head of the naval general staff in September, 1915, and except for two months in the summer of 1916 held that position until August 2, 1918. He was a firm believer in the efficacy of the submarine, and was decorated in 1917 for the work of the German U-boats.

BLUE OVER OUTLOOK

Four Meets With Many Peace Questions Still Unsolved

Paris, June 11.—The Council of Four met yesterday amid an atmosphere of considerable pessimism over the larger questions of peace-making with Germany still unsolved. It is understood that Premier Clemenceau has not moved from his position against any modification of the peace terms.

No settlement of the Silesian question or that concerning the Polish western frontier has been reached. It is stated that the Silesian problem is tied up with the difficulty of holding a plebiscite without Allied occupation, no troops being available for the purpose.

The plan for reparations which now is proposed in the Council of Four, according to Marcel Hutin, of the Echo de Paris, consists, first, in seizing German liquid assets to the value of \$5,000,000,000 francs; second, to leave a margin of two years so that an accurate idea of the economic and financial situation in Germany may be gained; third, after two years to exact payment on account of 125,000,000 francs in gold or negotiable securities; and, fourth, to give the reparations committee authority to raise the amount of the annual payments by Germany should her capacity to pay increase.

The signing of the peace treaty by Germany before July 1 and its ratification by the various Parliaments before August 1 is predicted by the Echo de Paris. It expects the answer

to the German government to be handed over Friday. The course of the Germans, it thinks, will be to replace the Scheldemann Government by another in case present government determines not to sign the terms as the Allies finally present them.

The Austrian delegation at St. Germain has asked Germany to protest to the Allies against the rigor of the peace terms presented to Austria, the Hays Agency says. It is informed from a reliable source. The reported action of the Austrians is unfavorably commented upon here.

WOULD FORCE SEPARATION

Knox Introduces Resolution Making Specific Demand.

Wash., June 11.—After many days of skirmishing and "backbiting," the Republican leaders in the Senate unanimously agreed yesterday afternoon and evening to introduce a resolution virtually demanding that the league of nations covenant be lifted out of the peace treaty with Germany and reserved "for future separate and full consideration" by the American people.

This is by far the most important assault Republicans have ventured since they subscribed to the Lodge "ground robin." If this resolution, which is now before the Committee on Foreign Relations, is acted upon favorably by the Senate it will mean that the Senate and the President have decided in advance upon the peace treaty, and that these two great governmental forces will be round array-

ed against each other in the gravest contest the nation has witnessed since the impeachment of Andrew Johnson.

Not there can be little doubt as to the manner in which the President will meet such a challenge. He has not a friend in Washington today who believes for a minute that even the passage of such a measure will force his surrender. On the contrary, he may be expected to fight and fight to the very death. He will continue to insist that the treaty as now drawn be unchanged by the associated Governments. He will return to America with that instrument signed by Germany and the league of nations plan incorporated in it. After he has laid it before the Senate he will go straight to the American people with his fight and will defy the obstructionists in that body to meet him in such a forum

MUST RETURN LIQUOR

Washington Police Department Faces Perplexing Problem

Two court decisions—one given yesterday—specifically assert that police must return liquor seized from bone-dry law violators. They create a perplexing problem for the police, one for which no solution has yet been offered.

The District police department holds approximately \$50,000 worth of liquor seized in raids and from violators of the excise laws. E. B. Hesse, property clerk of the police department, has been bonded in the sum of \$50,000 to protect the spirits. The immense stock of liquor is stored in various buildings throughout the city.

COLONIAL ESTATE SOLD

Farm, Granted By Patrick Henry In 1785, Brings \$110,059.25

Bristol, Va., June 11.—The Meadow brook farm near Bristol Retreat, owned by J. W. Keessling has been sold for \$110,059.25. The farm was sold at auction, and the home tract with house, barn, and other improvements was sold to W. M. Griffen, of Sugar Grove, for \$230 an acre. This farm has been in the hands of the Keesslings for more than 100 years, they having bought it from the Buster heirs, to whom it was granted, in 1785 by Patrick Henry, as governor of Virginia.

FINE MURDERED MAN

Police Baffled at Solution of Mysterious Crime

With a bullet wound in his heart the body of an unidentified white man, who had evidently been murdered three or four days ago, was found yesterday by Eddie Walls, a colored chauffeur, in a lonely spot about half a mile north of University Station, Brookland, D. C. Walls

located the police and a careful search was made of the scene of the murder, but nothing was found that would aid in either solving the mystery or establishing the man's identity.

The body was discovered in a secluded clump of trees about fifteen yards from the railroad tracks. The body was so badly covered by insects that it was not until Coroner Nevitt had made a minute examination that the bullet wound was found.

RICHMOND—Bryant Washburn

Bryant Washburn, famous Paramount star, will appear at the Richmond Theatre today in his latest starring vehicle, "Putting It Over," a delightful comedy that will accentuate his fame as a comedian. The story is an excellent one and the subject has been handled most artistically.

There is a moral to "The Little Widow," a new Paramount-Mack Sennett comedy which will be seen with the above which is "be-ware of widows." No matter how fascinating they may be, there is always danger—particularly if the reports of the husband's death are largely exaggerated as in this case.
